Course Title: *Graduate Grantsmanship Course*

Course Prefix and Number: *GLY 6739 003*

Course Reference Number (CRN): *55802*

Semester and Year: *Summer Session A, 2015*

This course is by permit only. It is mandatory that the student, before attending this class, have a focused topic responsive to an upcoming Request for Proposals deadline, and a faculty advisor willing to support/assist this effort. The faculty advisor is not expected to attend the lectures.

The participant's faculty advisor must be willing to:

- Assist the student in developing a project based on testable hypotheses
- Provide feedback at various points in the proposal-writing process to help the student develop a strong proposal
- Attend and play a role in the final panel reviews that are part of the course

By signing this form, the instructor agrees to support the student's efforts to complete an NSF proposal (or equivalent professional proposal) by May, 2016. This will require a small time commitment in Fall 2015 and Spring 2016 semesters.
